Representation, Warranty and Acknowledgement

By signing and submitting this License Declaration for Registered Trademarks, Licensor and Licensee represent, warrant and acknowledge that:

1. They have, prior to submitting their Trademark Records, entered into a license agreement concerning the use of the above Trademarks. This license agreement allows the Licensee or, if applicable, the trademark agent designated by the Licensee to:
 - 1.1. Submit any Trademark Record to the Mark Validation System as selected by the ZACR in order to generate a Signed Mark Data (SMD) File which allows the Licensee, or if applicable, the trademark agent to register labels related to the Trademark Record within a ZACR Top Level Domain (TLD) or any other associated ZACR zones during a Sunrise Period as long as the policies of the ZACR are complied with;
 - 1.2. Download and use the SMD file for it's intended purposes;
 - 1.3. Receive the Notification of Registered Name

Licensee and Licensor acknowledge that the submission of any incorrect, fraudulent and/or outdated information and/or documentary evidence, and/or any breach of the Validation Terms and Conditions as set out on the Mark Validation System, can invalidate the registration of the Trademark Record, or result in a cancellation of the registration thereof, which implies the termination of the services without either party being entitled to any reimbursement, compensation, or damages of any kind.
